

Stettler Elementary School Grade 5/6 Coed Basketball Schedule

Dear Grade Five and Six Parents,

Our afterschool basketball program will start on Monday, January 16 in the Junior High Gym. That day we will be able to determine the type of program we can offer our students based on the number of interested participants. We are anticipating having all interested athletes join us on the days listed below to spend half of each session working on new skills and practicing old skills, while the second half of the session will be devoted to games and game type activities. In order to ensure the program is a success we are asking for parent volunteers that have some basketball experience to help us out. If you have any questions or would like to be involved please contact Mrs. Kim Poapst or Mr. Jeff Lee at the school, 403-742-2235.
