Welcome to 2DB

Welcome back to the 2018-2019 school year. I am looking forward to working with your child in Grade 2 this year. I will be teaching all subjects except for the following: Mrs. Poapst will teach Phys Ed, Mrs. Kirby will teach music, and Mrs. Baltimore will take the students one period a week to work in the makerspace area. At the beginning of each month your student will bring home a newsletter highlighting the activities we will be working on, as well as reminders for special days.

Computer Use Permission: This form will be sent home. When you receive it, please read, discuss and sign the letter regarding computer use with your child. Your child will be allowed to use the computers once the permission form is signed and returned.

2DB activities:

Library: Our class will be visiting the library on Tuesdays. He or she will choose 4 good fit books each week. These books will be used for our home reading program. Please help your child to remember to return his/her books on time! Thank-you!

Thank-you!

Agendas: Your child will be bringing home his/her agenda every school day. This agenda is to be used as a communication book between home and school. Please fill out the first 2 pages with your student's information. **Please initial** beside the appropriate date each night. I will be checking the agendas each morning, **so if you need to send me a note you may write in the agenda or put a note into the pocket in the front of the book.** Thank-you!

More information about 2DB

Snacks: The students will eat a healthy snack mid-morning, because our school will be following a balanced school day schedule. Lunch is at 12:46 pm, so please send 2 to 3 snacks, or have your child eat part of his/her lunch at that time.

Water Bottles: Please send a water bottle with your child. This should contain only water.

Homework: Grade 2 students are not expected to do a lot of homework. They will be studying spelling words and doing home reading. If this is done daily, it should only require 20 minutes each

evening. On rare occasions work that is not completed during class time will be sent home.

Terry Fox Run:

Our annual Terry Fox Run will be on September 28th, 2018. More information will come home at a later date.
